June 2014

Volume 7, Issue 6

## Fizz Boom Read!!

Get ready for the Library Summer Reading Program! Dates for this year will be June 13—July 25. Kids may sign up for Summer Reading at the library anytime after school lets out for the summer. The first scheduled event will be **juggler Charlie Brown, in the park June 13 at 6:00 PM**. All ages are encouraged to attend this show, both kids and adults, regardless of Summer Reading participation.

This year's summer theme is "Fizz Boom Read!" All activities will involve some practical science skills, such as observing, measuring, comparing, exploring, and predicting.

The primary goal of Summer Reading Program is to motivate children to read. Studies show that kids who read during summer vacation maintain their reading skills and are better prepared to enter

school in the fall. A second goal is to help ward off summer boredom! We have fun, without the pressures of school!

Summer Reading is a **free program**, and children ages **preschool and up** are welcome to participate. Stop by the library to pick up a reading log and calendar of events. All programs, except for the June 13 juggler, will be at **1:00 pm on Fridays in the Weston Park**.

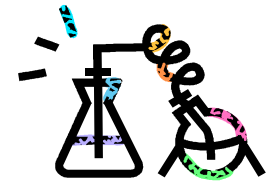

Weston Public Library

## 122nd Annual Pioneer Picnic

Are you expecting out of town guests or relatives for Pioneer Picnic? Would you or your guests like to know if your ancestors were among those attending the first

Pioneer Picnic? The Library will be open on Pioneer Picnic Day, Saturday, June 7, before and after the parade until noon. This open time is planned so that guests and locals

may search the registry of early Pioneer Picnic attendees and other historic documents and photos in our collection. We will also have souvenirs available for purchase.
