July 2014

Volume 7, Issue 7

Fantastic Fridays

Summer Reading Program 2014 continues. This year's theme is *Fizz, Boom, Read*, and all activities involve science. Here is the list of upcoming July programs:

- **July 4** Independence Day, no program
- **July 11** "*Wild About Weather*" with Dennis Hull from the National Weather Service
- **July 18** "*Mad Science with Mrs. Dennis*"
- **July 25** "*Squish*"

Friday programs for June included an awesome juggler, experiments with kitchen science, and chemistry experiments asking the question, "Is it science or magic?"

If your kids are complaining of boredom, bring or send them to the Weston Park on Friday afternoons

from 1:00– 2:00 PM. Participation in the Summer Reading Program is not required to attend on Friday afternoons. However, keeping a summer reading log is encouraged, with more than 20 young readers tracking their progress at press time.

Remember, Summer Reading is **free** for all children, ages preschool and up.
