## Library Card Sign-up Month

**September is Library Card Sign-up Month.** Since 1987, Library Card Sign-up Month has been held each September throughout the nation to remind parents and caregivers that a library card is one of the most important school supplies of all.

Getting a library card is easy. Simply visit the library, fill out a short application form, and provide identification showing your current residency with a Weston address. Minors under the age of 18 will need a parent or guardian's signature to get a library card.

New library card holders (kids and adults) will receive a coupon good for a free cup of coffee or ice cream cone from Central Station. If you already have a library card,

tell your friends and family to sign up.

A library card at Weston Public Library provides access to books, audios, magazines, music, online resources, movies, and computers.

Considering all the services available with your library card, it might be the most valuable card in your wallet!

## Preschool Storytime Begins

Preschool Storytime will begin on September 19 at 10:00 in the library. We will again be providing a positive library experience for babies and preschoolers, focusing on early literacy and social skills. Participation in

preschool storytime is one of the easiest and most effective things you can do to promote important pre-reading skills. All preschoolers (as well as babies) are welcome to attend with a parent or daycare provider. Programs

offer age appropriate activities such as songs, simple crafts, and stories.

Storytime lasts about 30 minutes, and no registration is necessary for this free program.
