November 2015

Volume 8, Issue 11

## Family Stories Month

November is known as “Family Stories Month.” The timing is good, as we get together in the next few weeks with extended family during the holidays. Perhaps your family is like mine, sitting around the table telling stories about the good old days when milk was delivered right to your door.

Do these family conversations make you wish you knew more about your family’s heritage? Did you know your great-grandparents? The library can help with your genealogy research. Umatilla County Special Library District provides all 12 District libraries with online subscriptions to **Ancestry.com** and **Heritage Quest**. Ancestry.com is available at the library, and Heritage

Quest can be accessed from your home. All you need is a computer with internet access, your library card, and your library pin number.

When you are with your friends and family during Family Stories Month, remember these great resources, free at the library. I encourage you to give them a try!

Weston Public Library
