Job Search Assistance

Looking to land a job or advance your career? You might find a helpful tool in *Learning Express Library*. This is a new search engine available at the library, made available through the Oregon Statewide Database Licensing Program. It allows users to access over 5 million job postings, all from one single search engine.

Are you unsure of an occupation? In addition to job postings, the Job and Career Accelerator Center, a feature of *Learning Express Library*, allows users the opportunity to explore career options. The center also provides help in creating or updating a resume, writing a cover letter, and preparing for a job interview.

The web link for *Learning Express Library* is located on the Education Resources tab on our website (westonpubliclibrary.com)

The first time you use *Learning Express* you will need to register and create a password. After you register, you may want to watch a video available on the login page. This video gives an overview of *Learning Express* features.

Staff at Weston Public Library, or any UCSLD Library can help you get started using this helpful tool!

Weston Public Library

Weston Library Receives Grant

Our library has been awarded a \$1,200 non-matching Libri Books for Children Grant. The Libri Foundation is a nationwide non-profit organization which donates new, quality,

hardcover children's books to small, rural public libraries in the United States. In the next few months we will be selecting books suited to the needs of our community's kids.

Watch for lots of new books to be turning up on our library's shelves in the next few months.
