July 2016

Volume 9 Issue 7

## On Your Mark, Get Set, Read!

Summer Reading is in full swing at Weston Public Library! Every Friday at 1:00 PM kids of all ages are meeting in the park for special programs, art, books, games and snacks. Activities end at 2:00 PM. Preschoolers should be accompanied by a parent or caregiver, and school-age kids can be dropped off and picked up. Adults are welcome too!

The other part of Summer Reading is keeping reading logs! Readers are logging time spent reading (or being read to) and cashing in hours for prizes at the library.

So far this summer, we have been

entertained by a storyteller, welcomed the U of O Museum of Natural and Cultural History with their mammoth program, and successfully drew a chameleon! Join us at the Weston Park on Fridays at 1:00 through July 15! All activities are free, and no signup is necessary.

Weston Public Library
