Libri Books for Kids

The Libri Foundation was established in 1989 for the purpose of providing top quality children's books to rural libraries. Since then, the foundation has donated \$7 million worth of new children's books to rural libraries. Weston Public Library was the recent recipient of \$1,200 worth of children's nonfiction books through a Libri Grant. Our books have been selected, and are being added to our library collection. These books will be used for storytime, for checkout, school curriculum support, and to just provide kids with a good read. Stop in and look over our new books!
