Meet the Mayor

In January the new Mayor of Weston, Jennifer Spurgeon, took office. Recently we had a chance to visit about her background.

Jennifer grew up just over the mountain in Elgin, an upbringing that gives her valuable insight into the small town, multi-generational culture we enjoy. Our new mayor graduated from Whitman College, where she played basketball. She went on to coach in Touchet, then moved around the Northwest from Tri-Cities to Union before settling in Weston in 2006. She and her husband Dave chose Weston as their home because it is central to his property appraisal business.

As the mother of three children, two grown daughters and a son who is a

student at Weston Middle School, Jennifer became interested in our local schools, serving on the school board for the past three years. She joined the Weston City Council four years ago.

Her goals for Weston include maintaining our infrastructure, and following processes and procedures that benefit our citizens.

100 Years Ago in Weston

The "Big Snow" of 1916-1917, as viewed looking east on Main Street, and the "Big Snow" of 2016-2017 from the same perspective. Our snow removal equipment may be more advanced in this century, but the amount of snow seems comparable!
