FOWL PROJECTS

FOWL has been in existence since 2000. In 17 years, this group has accomplished many things to benefit the library. FOWL either completely funded, or was a major contributor to the following: library roof replacement, air conditioning, windows, door replacements, shelving, digitization of library photos, the original video "My Home Town," as well as numerous special programs. Your memorial donations to FOWL continue to be thoughtfully put to good use.
