

Libraries Rock This Summer

Kids of all ages come join us for Summer Reading! This year's theme is "Libraries Rock." We will be exploring all things music and also...rocks!

Stop by the library when school gets out for the summer to pick up your **calendar of events**, check out a book, and start reading. We will meet in the park each **Friday afternoon at 1:00** for a special program. This year's programs include musicians Rich Glauber and Eric Herman, University of Oregon Museum of Natural and Cultural History, and other interesting people and programs.

We will be using a very simple method to encourage your kids to read this summer. Each time they read and return a book to

the library, they will earn a treat.

This summer the preschoolers, will be eligible to win special prizes donated by the Ready2Learn program. If your child, age birth to 6 years doesn't have a Ready2Learn library card, hurry in and sign up so he or she can be included in the drawing. This year's program is **SUPER SIMPLE!**

126th Annual Pioneer Days

At the library we are gearing up to take part in the 126th annual Pioneer Days celebration Friday and Saturday, June 1st and 2nd. The library will be open on Friday from 8-5, and again on Saturday morning, to allow locals and out of town visitors to enjoy our historic photo collection. Friends of Weston Library and Weston Library Board members are putting together a parade entry, so watch for them in the parade!
